

PRESS RELEASE
PATAPHYSICS OUIJA PARTY
ouijaparty.co.uk

LONDON, UK - 31/10/2014

As every facet of life transitions to the digital, some things are left behind. But some things won't allow themselves to be left behind - because even demons, ghosts, and ghouls need their playground. Ouija Party is an application to help facilitate communication between various planes of existence using your mobile or tablet device. Whether alone or with friends, you can finally search for the answers to the questions that only those beyond this mortal coil can answer. However, please be respectful; you never know who - or what - is on the other side.

DISCLAIMER: Pataphysics can not be held responsible for the communication or the results of the pacts you may make.

Stay safe.
